

以色列生日快樂

簡嘉雯

國一日而生：以色列的神蹟（以賽亞六十六7-8）！
雅各的子孫酣著美麗的希望回鄉；
那天，猶太人迸出滾沸的眼淚，混雜著歡呼聲，從天邊響徹到天邊。
那天，阿拉伯聯軍朝著以色列追著、咬著、絞著。
自始，猶太人在以色列的土壤上忍耐著、抵抗著、奮鬥著……
自始，猶太人在洶湧的戰陣裡猛進，猛進！
這刻，我駐足在黑門山的頂巔，我望見了神永遠的威嚴；
我望見了水晶光明的星輝照亮了以色列的幽壑，
我望見了以色列在神愛的青埂上秀挺、鮮妍。
那刻，我感受我在以色列的血裡流，
那刻，鐘上跳動的針迴響著猶大獅子再來的急步聲，
那刻，我吹響角聲並守候著那快要來臨的光明毀滅黑暗之戰。

Happy Birthday to Israel

Karen Kan

A nation born in a day: Miracle of Israel (Isaiah 66:8)
The sons of Jacob returned to their homeland in unspeakable joy and great hope.
That day, the Jew burst out their tears which mixed with hurrah that reverberated throughout the four corners of heaven to the end of the earth.
That day, the Arab Allied force was chasing, biting and wringing towards Israel.
From that day onward, the Jew is enduring, withstanding and striving...in the Land of Israel.
From that day onward, the Jew is marching, marching in the surge of the fierce raging battle.
At that moment, I stood on the summit of Mount Hermon, I could see God's eternal majesty.
I could see a crystal like brightness of star which lit up Israel's dark valleys.
I could see God's love upon Israel, in all her elegance and beauty — Israel stood apart surrounded by bright shining light and apple green freshness .
At that moment, I could feel my blood flowing into Israel.
At that moment, I sensed the rapid return sound of the Lion of Judah resounding with the rapid ticking sound of the clock.
At that moment, I found myself blowing the shofar to announce the coming of the final battle of the destruction of the Darkness by the Light. My spirit is on vigilance for His victorious return.
